

Privacy Policy

Last Updated: February 15, 2026

This privacy policy applies to the [Your App Name] app (hereby referred to as "Application") for mobile devices that was created by [Your Name/Company] (hereby referred to as "Service Provider") as a Free service.

This Application is provided "AS IS" and is intended for use as is.

Information Collection and Use

The Application does not collect, transmit, or store any information from users.
This Application:

- Does not require user registration or login
- Does not collect any personal information
- Does not collect any usage data or analytics
- Does not require internet connectivity
- Does not share any information with third parties

Third Party Access

Since the Application does not collect any information, no data is shared with third parties. The Application does not use any third-party services that may collect information.

Opt-Out Rights

As no information is collected by the Application, there are no opt-out procedures necessary.

Data Retention Policy

The Application does not retain any user data as it does not collect any information.

Children

The Application does not collect any information from anyone, including children under the age of 13. Since no data is collected, the Application can be used by children without any privacy concerns related to data collection.

Security

As the Application does not collect, transmit, or store any user information, there are no data security concerns related to user privacy.

Changes to This Privacy Policy

This Privacy Policy may be updated from time to time for any reason. The Service Provider will notify you of any changes to the Privacy Policy by updating this page with the new Privacy Policy. You are advised to consult this Privacy Policy regularly for any changes, as continued use is deemed approval of all changes.
